

SEAL'S SOUL 2 AUSTRALIAN TOUR RESCHEDULED TO APRIL

Dainty Group announced today that Seal's February Australian tour has been rescheduled to April. The change in dates is due to scheduling conflicts with Seal's international and Australian work schedule.

Seal explains: "I'm so excited to be going back and forth to Australia over the coming 5 months filming *The Voice* and touring. I'm really sorry we've had to move the dates, but hopefully it hasn't put anyone out, and we'll just make sure the shows are even bigger and better to make up for it!"

A spokesman for Seal continued: "Due to changes in the filming schedule for the TV show, we've had to make the difficult decision to move the tour dates. The good news is that the shows are only moving back a couple of months and all tickets are valid for the rescheduled shows."

The new tour will see Seal perform in Canberra, Adelaide, Melbourne, Perth and Sydney. In addition, there will be a new show scheduled for Gold Coast, with full details to be announced shortly.

Tickets for the February dates will be valid for the new April tour dates. The rescheduled tour dates are:
